When asked why I do adult photos and videos, I tell them because I love sex. I grew up in a house where things were very open about it and so it was comfortable for me. After a shoot or two, I got more comfortable with the camera. When I saw my photos, I studied and learned from them. Now I think I'm a pretty good model.

Backdoor Bliss

Regular fucking was out after the baby, so we tried ass-banging and discovered a whole new world of pleasure

After our first baby was born, my wife and I tried to resume our normal sex life as soon as possible. Until two months before the baby's birth, we were a horny couple who enjoyed getting each other off several times a week. After the baby's birth, however, Jessie found it impossible to get right back into straight fucking because she didn't want to chance getting pregnant again so soon, nor did she want to risk upsetting her body by taking birth control pills.

We discussed the whole thing and decided that if the usual way was out for the moment, then maybe we'd experiment with something a bit unusual: anal sex. Before that we'd never felt the need to experiment, but now seemed like a good time. As we talked about it, Jessie voiced her fears about not being able to take my dick up her ass. But by the time we were finished talking she was curious enough to give it a shot, so I set out to gather some info on the subject.

So I spoke to a doctor friend of mine, who assured me that anal sex is not harmful or dangerous, if done with some TLC. He advised me to use lots of lubricant and especially, to take my time the first

time I tried it. He added that if it went okay I should get a small dildo or vibrator for my wife, so she could use it on her own to get used to the excitation of her anal muscles. Those, he said, could be every bit as sexually rewarding as the muscles in her pussy, once she got used to stimulating them.

So, armed with this information and propelled by a rising sexual anticipation, I checked out a sex shop and stocked up. After looking over a large display of lubricants, I chose one that promised "the easiest slide of your life." Then I checked out the dildos, wondering in awe at how anybody could get pleasure out of the really enormous ones that shot up a foot long. I settled on one about six inches long, which was smaller than my cock but big enough for Jessie's "practice sessions."

Another thing that caught my eye was something called a "butt plug," a rubber appliance about two- and-a-half inches long which you stick up your ass and keep there with a wide band of rubber at the base. That was for me, because as I was looking at it I remembered the few times during foreplay when Jessie had eased a couple of fingers up my ass and

I'd enjoyed the sensation. Now I can not only enjoy that feeling again but, in a smaller way, I can experience a little of what Jessie does—a kind of share and share alike!

Knowing how clean my wife always keeps herself, I also bought a strawberry douche for her and then checked out a book devoted to the art of anal sex, complete with color pictures. I grabbed that too, figuring we could start off our new adventure by looking through it, and thereby becoming more comfortable with the whole thing by realizing we were far from being the only people who do it. (In fact, the first page reported that an amazing 40 percent of all married couples experiment with anal sex at one time or another.)

When I decided I was armed and ready with whatever answers or paraphernalia we might need, I headed home. I found I had to struggle to concentrate on the traffic as my mind spun ahead to the coming evening.

Instead of greeting me like my wife of several years, Jessie kissed me almost chastely when I got

home. I knew what was going through her mind, but I played it cool until after dinner and the kid was asleep. Then we sat down with a bottle of wine and I brought out my parcel of goodies, making Jessie laugh away some of her fears as she looked them over one by one. When she got to the book though, the laughing stopped and her eyes widened as she took in the colored close-ups of cocks buried to the hilt between the soft mounds of female asses. She poured herself another glass of wine.

I put my arm around her and brought our bodies close as we looked at the pictures and talked. I told her right off the bat that I wouldn't enjoy it if she couldn't. Our ground rule would be that if it became too painful for her, we'd stop and call the whole thing off. She responded to my understanding by pressing her lips against mine in a long and thoughtful kiss that grew into passion as our tongues met and explored each other's mouths.

Soon we had aroused each other in a familiarly exciting way that led us directly to the bedroom. I sat on the corner of the bed while she slowly undressed herself, something I always enjoy watch-

ing. When she stripped off her panties, part of me was thinking what a shame her pussy was still off limits following childbirth. Yet when she turned to toss her panties aside, the sight of her smooth, round ass brought new images to mind. Suddenly I didn't regret a thing.

Once I'd peeled off my clothes, we began foreplay, just like in the old days. Her nipples stiffened against my chest as I felt the hardness of my cock stretched out between our bodies. When Jessie turned away from me and rolled over on her stomach, I kept whispering gently to her as I dipped my fingers into the juicy lubricant and slowly began to apply it to her body.

I cupped each ass cheek in a gentle massage, closing in on the cleft of her ass with loving sweeps of my hands. She moaned as I reached around and under her, shoving a pillow under her to raise her ass up toward me.

I went back to the lubricant, smearing some along my hard cock and then refocusing my attention on her. I carefully slipped a moist finger deep into the valley of her ass until I made contact with her rectum. I let my finger coast around inside her tight hole and felt her body gradually relax as she got used to the feeling. Again there was a quick intake of breath when I put my finger inside her.

I could feel her sphincter muscle tighten, and then loosen up as I moved my finger in and out. I let another finger slide over the tender patch of skin between her ass and pussy, and was surprised to find it was slippery. She was breathing deeply and content-

edly, trusting me completely. My cock was standing straight up, glistening in the soft pink lamplight. I decided it was time.

Holding my dick in my hand, I brought it against her skin, moving it around that territory until, again, I felt her internal comfort, evidenced by the way she arched her ass to me. Slowly and tenderly I pressed the tip of my dick against that soft hole, feeling it penetrate its particular tightness as Jessie drew in another quick breath.

Her rich brown hair fanned out against the pillow and half of her face was smiling, yet I still needed to keep talking to her, soothing whatever qualms might be lingering in her mind. I could feel her body start to open for me and I gripped her sides as I entered her. I watched my cock disappear inside her and felt her hole close around me.

It was a completely new sensation as I sank deep inside her most private region. It was tight; tighter than her cunt and totally exhilarating. Her body yielded to me and I felt a combination of sexuality and happiness that, frankly, I hadn't truly felt since our wedding night. I was having her again for the first time.

I reached out and captured her hands in mine, stretching the rest of my body out until all she could feel were my fingers and my cock inside her. In almost a pushup position, I pulled myself halfway out of her and then sank my dick back in, our bodies moving in rhythm as her ass rose to meet me and carry me, finally, as far inside as I could go. My belly pressed against her skin as I felt both our bod-

ies rising to a climax.

I could feel the juices inside me fighting to get out as her muscles got even tighter around me until finally I couldn't hold it any longer and exploded up in her. She felt my hot gush and raised her head in appreciation. She was giving me her body in a way she had never done before and I felt my sexuality mixed with a deep fulfilling emotion as my orgasm surged out and finally ended.

Then, just as I was ready to pull myself out of her, she whispered for me to stay, reaching back and grabbing my ass in a frenzied need to hold me there. I stayed, letting my body down until it covered hers, and gasping for breath as I felt a cold sweat leave my skin and dampen hers.

I cleaned my hands with a wipe and then snaked a hand underneath her and around her stomach. Holding her tightly to me, I swung to one side and onto my back, bringing her body along with me. Grabbing for the lube jar I greased two fingers and gently inserted the tips into her vagina, feeling the throb of her clitoris as I brought her to a new and full orgasm. She was gasping and it was an immensely rewarding sound because I sensed her happiness and the success of our mission.

Finally my cock literally shrank out of her, but I still held her close, nuzzling my lips against her damp cheek, whispering into her ear through the silky screen of her damp hair. We rested, contemplating each other face to face when suddenly I began to giggle.

She turned toward me, a quizzical look on her

face, as she searched my eyes for the reason. Instead of speaking I just reached down next to the bed and pulled up the butt plug. She laughed too, realizing then that I had completely forgotten to use it. "Don't worry," she whispered, "I think you'll get your chance before too long."

I held her close in a quiet embrace, thinking that evening had been the beginning of a new kind of sexual experience for us. I'd seen her face change

from fear to surprise to wonder, and finally contentment and I knew that what had gone between us was good.

There was no doubt that we would soon restore our former sex play, but we also knew there was no need to worry or hurry because we'd found and appreciated a new kind of release and a new kind of fucking.

She shifted her lithe body until she was facing me and our arms enclosed each other in the quiet aftermath of the sexual storm. Then, unexpectedly, she reached down and brought her hand back with the dildo I had purchased. She just kind of wangled it in front of me, and then she held the rubber tip to her mouth and gave it a sound licking.

My eyes opened wider with an obvious question mark stamped somewhere in them, because it was her turn to chuckle as she whispered, "Who knows? Maybe the next time we fuck I'll do the giving and you'll do the taking."

I kissed her. A singular emotion traveled between us. We'd already opened up a new territory of sexual response and completeness, so who was I to think it would be a one-way street?

The Show Must Go On

When I got a job as a stagehand in a strip show, I'll admit, I was looking forward to seeing the women all around me in various stages of dressed but didn't really think anything more would come out of it.

That all changed the day that a bachelorette party booked the club and demanded male strippers. I'll be honest, I wasn't ready for it, but the regular guys were out sick, and because it was last minute and during my shift, I got tapped anyway. I was nervous as hell as I went out there, a half-dozen chicks the only group in the theater, and me, the only performer.

The music started to play, and it took a few seconds before I started getting into it, first by pretending the group wasn't there. But they were loud, and I couldn't ignore the calls for my shirt for long, so I turned away from them, hoping they couldn't see how red I was as I started popping my buttons and pulling my shirt off to the side to show them how much I was taking off. Just one button at a time.

As the music played on, the same hoots and hollers that made me nervous a moment before now drove me on. I peeled my shirt off and tossed it back towards the party before turning around and letting my body move with the heavy beat.

It was only then that I got my first good look at them and suddenly felt my pants tighten. They were all in skimpy

party dresses, gathered around the edge of the stage. A couple of them were sitting so that their boobs were nearly falling out at my feet, and I just smirked, turning away to start undoing my pants.

The longer it went, the more I played it up, giving them what they wanted. And when I threw my slacks out at them, they screamed and begged for more. I shook my ass toward them, letting it jiggle through my tight, black underwear. But I had a problem if I tried to turn around since I was hard as a rock.

Turns out, that was what they really wanted.

I gave them a couple flashes of my ass, but they kept calling out for me to turn around and show it all. There wasn't much choice, and I was really starting to enjoy the attention. So, I ripped through my underwear to pull it off before turning around to

show them what I really thought. And they just ate it up.

Or rather, swallowed it down. As I paraded myself forward, the first chick leaned out and licked my meat while the next reached out to fondle my balls, all the while, all of them were pointing to the red-faced woman at the end of the runway with shinning black hair, dark eyes and a nervous smile. They all wanted the bride to have a chance with my naked body.

They marched me down towards her, every one of them reaching out to grope me somewhere,

until I got to the end with my throbbing cock right in the bride's face. And with a glance at her friends, she leaned forward and started slurping me down.

It was a wild experience as all of her friends watched and cheered for her. They pulled me off the stage and had me sit back on one of the tables as all of the bridesmaids took their turns now sucking me off, with the others standing around feeling and touching me in an orgy of flesh that seemed to be all centered around me. Except all they were doing was preparing me.

When the bride appeared again, she had pulled off her party dress and climbed up on top of me, sliding my dick into her soon-to-be-married pussy with a loud, echoing moan that her friends all cheered on.

She rode me, starting slow at first, but not taking long to get her own courage and grinding me as I threw my head back, only to find two pairs of lips there for me to make out with a couple of her friends. The others had their hands over both of our bodies, mostly playing with our nipples as the bride took full advantage of my horniness.

She picked up pace, and it wasn't long before she was screaming loudly through the club. And as her friends cheered her climax, I couldn't hold mine anymore and exploded deep inside her. I got one last kiss from the bride and each of her friends before she pulled herself off, got dressed and left the club with her entourage, leaving me to clean up.

That day, I left work with an enormous tip, a satisfied cock, and a new job as one of the lead male dancers. As they say in show business, the show must go on!

Rinse, Fuck, Repeat

Hi, I'm Dave, and it's three in the morning on a Friday night and we just got home from clubbing. Rayanne's in the shower. The temperature was just right, very warm but not scalding, and she bathed in the feel of the fine spray on her shoulders, as her neck muscles relaxed.

Rayanne arches her back, and steps back a little, letting the water soak her hair, and run down her face and across her full breasts. She reaches down for the shampoo, and starts massaging it into her hair.

As she steps under the spray to rinse, she suddenly feels my hands on her shoulders and leans back against my chest. She could feel my hardness against her buttocks, and wiggles against it playfully as my hands roam up her sides, finally encircling her and moving up to her breasts. I playfully tickle the edges and the undersides, but eventually my fingers find their way to her nipples, which had gotten hard almost at first touch. I squeezed her nipples as my lips find her neck, and I nibbled my way up to her earlobe.

Rayanne turned around then and our lips met. I pushed my tongue inside her mouth, my arms encircling her as she reaches down to touch my wet, hard cock. Rayanne took it in her hand, caressing it gently, rubbing the shaft and moving a finger down to tickle my balls.

She knelt down and planted a kiss on the tip. I moaned, and ran my fingers through her hair as the water of the shower rained down around us, and

*She could feel my hardness against her
buttocks, and wiggles against it playfully as
my hands roam up her sides...*

she took my penis into her mouth. Her hand encircled the shaft, and she began to rhythmically stroke me in time with the action of her warm, wet mouth.

Rayanne could feel my excitement grow, as the water ran down her face, and she took more of me into her mouth. She moved her hand back to caress my balls and drew almost my complete shaft into her throat. She generated as much suction as she could, and started to use her mouth to move it in and out, taking his entire length into her throat on the deep stroke.

Rayanne sucked, faster and faster, and finally with a groan, I reached orgasm. She took me out of her mouth then and let my cum splatter on her face. Shortly thereafter, the water from the shower washed my cum off her, and me.

I pulled her up from her knees and smiling, lifted her in my arms and carried her from the shower into the bedroom. I took a large, fluffy bath towel and began to dry her shoulders and worked my way down her back. Then putting the towel around her to dry her breasts and stomach.

Kneeling, I towed off her legs and feet, and as she stood there, I ran a teasing finger up the inside of her leg, almost to her pussy. Rayanne trembled a little at the sensation and even more as my fingers began to trace higher on the inside of her thigh.

I moved my fingers up to gently brush the folds of skin around her vulva, massaging and kneading the tender flesh and sending shock waves through her body with every motion. I knelt between her legs and lightly licked the inside of her thigh.

She moaned and spread her legs wide as I licked higher onto her labia, teasing it gently for a second before retreating and licking at her other thigh. I blew

gently on her clit and took it into my mouth and sucked on it gently, causing her to gasp.

Then I pulled back and began to use my tongue in earnest, sometimes quickly, other times slower, moving it vertically or making slow, lazy circles around her clit. I worked a quick finger inside of her pussy and penetrated deeply, and moved it in and out in the rhythm of my tongue moving against her clitoris. Rayanne moaned at the feelings I was inducing in her body, and as they intensified she orgasmed, writhing, on the bed.

I looked up at her and smiled, and then crawled up her body to lie on top of her. Soon she could feel me becoming hard again, and she parted her legs to let me enter.

I slid in smoothly and we lay motionless for a moment, enjoying the sensation of her vaginal walls around me. Eventually I started to thrust myself rhythmically into her, moving my hips against hers, and she rose up to meet me on each deep thrust.

Rayanne put her arms around my back, caressing my strong muscles and buttocks, pulling me even more deeply inside of her. My mouth found hers, not gently, and we savagely kissed, my tongue forcing itself into her mouth in time with my strokes. I groaned, and she could feel me starting to spasm inside of her. The sensation brought her to her own orgasm, and we came together, shuddering.

I stayed inside of her as we lay together in the afterglow, enjoying the sensations of each others' body. With our arms around each other, she finally pushed me gently off of her, giving me one last kiss, to allow her return to the warm, wet shower that I had so rudely interrupted.
